News From Queen Sue

Thanks to all who came to my birthday happy hour. As you can see, there were a bunch of us and a good time was had by all. Have a place you want to go for happy hour? Just let me know and we'll try to get on the list.

JANUARY REVIEW:

After a great happy hour, we went to see Hair at the Herberger. It was like being back in 1968 which was fabulous. Our January potluck was filled with laughs all evening, following by Minding Your Vision where we planned for 2009. WBW Della hosted an Inauguration Party, WBW Joann did another fabulous Flirting Workshop and we had so much fun at Eli's practicing. Our monthly day trip to Tucson was great, The FBR Open was wonderful and WBW Catherine was our WBW of the month on The Perfect Game Radio Show, talking about her business [Romanticies](#). [Click here](#) to listen to Catherine's interview (scroll down to KNOW FEAR! 1/31/09 - Sue Barenholtz). What a great start to the new year.

WBW IS EXPANDING: Due to popular demand, Wild Boomer Women is expanding. We are launching WBW West Valley and WBW East Valley. You can take advantage of activities with any or all of the groups. If you live in the East Valley or the West Valley, I need your help organizing events and suggesting fun venues. Please contact [Queen Sue](#) if you would like more information about how you can help.

Please feel free to forward this newsletter to a friend by using the "forward to a friend" link in the heading of this newsletter.

As always, if you have an event or activity you would like to do, please let me know about it. Email [Queen Sue](#). Happy February and I hope to see you at an event soon.

WHY BECOME A WBW CLUB MEMBER?

Just Ask Two of our Members:

Just ask Doreen Pollack, [the Garden Goddess](#). Doreen was one of our first members in September, 2008. In December, she had just started to wonder, although it only cost \$9.95 per month to be a member, what was she really getting? Then came our first Members Only party with all the free services and gifts. Doreen had a great time and met some really nice women. The following week she got a call from someone who found her on the WBW Favorites page. Says Doreen " I am always curious about how people find out about me - so when she said, "I saw you on the Wild Boomer Women's site" - I was thrilled! You just never know when and where you will meet great people or clients. With just one client, my entire year's membership was paid back to me. Thanks Sue for such a great idea!"

Don't have a business and wondering why you should join? Just ask Meryl. She got to attend the Members Only party and also saved money on events that were priced lower for members. Says Meryl "I feel all the hard work that Sue does to plan and organize these events is worth \$9.95 per month, so even though I could attend without being a paid member, I thought it was worth it. Then I started to attend fabulous events for free and save money on other events. I saved as much money in one month to more than pay for my membership and got over \$300 worth of free products and services. It actually pays to be a member. You get so much more than \$9.95 per month."
